

# Crab and Lobstar Exports from Orissa, Andrapradesh and Sibsaghar, India

At PRIYOBANDHU, we take pride in exporting the finest quality fresh and frozen crabs and lobstars from the bountiful waters of Orissa, Andrapradesh and Sibsaghar in India. Our commitment to excellence ensures that our customers worldwide receive the best seafood products.

PRIYOBANDHU

# About Our Company:

## PRIYOBANDHU ENTERPRISES (EXIMS)

### Experienced Leader

With over 20 years in the seafood industry, Yubaraj Choudhury has built a reputation for quality and reliability.

### Sustainable Practices

Our company is committed to environmentally-friendly harvesting and processing methods to ensure a healthy marine ecosystem.

### Dedicated Team

Our skilled workforce is passionate about delivering the freshest and most delicious seafood to our global customers.

# Exporting Fresh and Frozen Seafood

## Crabs

Our company specializes in exporting a variety of fresh and frozen crab species from the coasts of Odisha, Andhra Pradesh, and Assam.

## Lobsters

In addition to crabs, we also export high-quality, flash-frozen lobsters harvested from the same rich fishing grounds.

## Quality Commitment

We are dedicated to delivering the best possible seafood products, ensuring strict quality control and sustainable sourcing practices.

PRIYOBANDHU

# Fresh and Frozen Seafood Sourcing

1

## Sustainable Harvesting

Our seafood is sourced from carefully managed fisheries that prioritize long-term conservation.

2

## Quality Inspection

Every catch is thoroughly inspected to ensure it meets our stringent quality standards.

3

## Careful Processing

Our state-of-the-art facilities handle the catch with the utmost care to preserve freshness and flavor.

# Crab and Lobstar Harvesting Process

## Artisanal Fishing

Our seafood is harvested using traditional methods that minimize environmental impact.

## Sustainable Practices

We work closely with local communities to ensure responsible and ethical harvesting techniques.

## Careful Handling

Each catch is handled with great care to preserve the quality and freshness of the seafood.

# Product Highlights

## Blue Crabs

Our blue crabs are renowned for their sweet, delicate flavor and firm, juicy meat.

## Mud Crabs

Prized for their rich, buttery taste, our mud crabs are a delicacy in many cuisines.

## Spiny Lobsters

Our spiny lobsters boast a tender, succulent texture and a sweet, slightly briny taste.

## Rock Lobsters

The firm, meaty flesh of our rock lobsters makes them a popular choice for seafood lovers.

# Strict Quality Control Measures

## 1 Rigorous Testing

Our products undergo comprehensive testing to ensure they meet the highest food safety standards.

## 2 Traceability

We maintain detailed records to guarantee the origin and handling of every seafood item.

## 3 Certified Facilities

Our processing plants are certified to international standards for food safety and quality.

# Quality Control Processes

1

## Stringent Inspection

Our products undergo rigorous inspection at every stage, from sourcing to packing, to ensure the highest quality.

2

## Food Safety

We adhere to the most stringent food safety protocols, including HACCP and other certifications.

3

## Traceability

Our comprehensive traceability system allows us to track each batch of seafood from catch to customer.

# Packaging and Cold Chain Logistics

## Temperature Controlled

Our seafood is transported and stored in state-of-the-art refrigerated facilities to maintain freshness.

## Reliable Logistics

We utilize a comprehensive cold chain network to ensure timely delivery to our global customers.

## Secure Packaging

Our products are meticulously packed in durable, insulated containers to prevent any damage.

# Our Domestic and International Markets

1

## India

We serve a thriving domestic market with a wide range of fresh and frozen seafood products.

2

## Asia

Our high-quality crabs and lobsters are in high demand across the Asian continent.

3

## Europe and North America

We have established a strong presence in the lucrative European and North American markets.

# Logistics and Distribution

## Global Shipping

We have established reliable shipping partnerships to deliver our products worldwide.

## Cold Chain Logistics

Our state-of-the-art cold chain facilities ensure the freshness and integrity of our seafood.

## Efficient Distribution

We work closely with our logistics team to ensure timely and reliable deliveries.

# Why Choose Us for Your Crab and Lobstar Needs

## Uncompromising Quality

Our seafood products are renowned for their exceptional freshness, flavor, and safety.

## Reliable Supply

We maintain a consistent and dependable supply to meet the demands of our global customers.

## Personalized Service

Our dedicated team works closely with each client to understand and fulfill their unique requirements.
